## SMART AND CONNECTED!

### Description

Interphone Sport is dedicated to everyone who likes to stay connected. Through your smartphone's Bluetooth® connection you can listen to hi-fi-quality music and get directions from your GPS. What's more, you can share music with your passenger and listen to your favourite radio stations. Interphone Sport encompasses technology and connectivity. It's the ideal travelling companion for anyone who wants to enjoy sharing the excitement of a motorcycle trip with friends.

It is fitted with advanced functions that allow it to connect to any Bluetooth® interphone on the market. It can be voice activated (VOX) and automatically reconnects if you get cut off from the other motorcycles.

With Interphone Sport non-stop receiving and making calls is no longer a problem thanks to long battery life and the Fast Charge function for ultra-fast charging.
